## Cheer & Mascot Results

By: Macie Clugston

This six weeks we had cheerleading tryouts. 10 girls tried out in sixth grade, but sadly, only six could make it. We are very proud of the following students: Erin Kadlacek, Macie Clugston, Emily Bush, Allison Baker, Alyssa Nash, and Hannah Johnson! We can’t leave out the mascot! We are also very proud of Hope Herod for making mascot (“Ug”)! These will be the 7th grade girls on the Riesel Junior High squad next year! They will cheer on Thursday nights. We hope to see everyone try out again next year when the time comes!!! GO INDIANS!!

## Little Indian Olympics

By: Emily Bush

On May 7, we had Little Indian Relays. This year was an Olympic year, so we changed it to Little Indian Olympics 2010. Everyone participated and hopefully had a good time. There are lots of events you can do and here are a few....softball throw, football throw, and tug of war. In tug of war, only one class can win, and here are the results: 6th–Holecek, 5th– Kersten, 4th-Wood, 3rd– Owen, 2nd-Nutt, 1st– Hogg, K-Muehlstein. Every class also enjoyed a water slide and a slip-n-slide. It was 6th grade's last year, so they made sure they had fun!!!

### Summer Fun Facts:

- Watermelon is actually a vegetable. Early explorers often used hollowed out watermelons as canteens.
- The average American eats 5 1/2 gallons of ice cream a year!
- Mosquitoes have been around for 30 million years. They can detect a mammal from 100 feet away.

## Mrs. Yezak

By: Macie Clugston, Emily Bush, and Erin Kadlacek

After forty-one years of educating students, Mrs. Yezak is retiring from Riesel Elementary school. She is currently teaching the first grade class. She has helped so many students find their way to success. We will ALL miss her so much. This first grade is so lucky to have her as a teacher here at Foster Elementary. Enjoy your retirement, Mrs. Yezak!!

## Little League

By: Kaylee Wood

The little league baseball and softball season has started. It started in April and will be ending around the end of June. It gives students a chance to play ball during the summer. The littlest kids start out playing t-ball, which is very entertaining to watch! There are usually pre-season tournaments for every division, and each team plays a total of about twelve games. Come out to the ball fields this summer and watch some baseball! You can also enjoy some snacks from the concession stand while you're there. Good luck to the teams participating!

## ***Farewell 6th Grade:***

We would all like to say good-bye to all of the sixth grade students here at Foster Elementary! We will miss you all next year! Good luck in seventh grade! (Don't forget where your locker is!!!)

Dear 6th Grade:

It has been a pleasure being your teacher this year. Each of you will hold a special place in my heart for years to come. I look forward to watching you succeed in Junior High and High School. Remember the lessons of Sniff and Scurry. Embrace this change in your lives and go forward with confidence and optimism (vocab word!)

Love, Mrs. Kadlacek

Dear 6th Grade:

This has been a memorable year for me as one of your teachers. I hope you will remember that all of your dreams can come true if you work extremely hard. Reach for the stars!!!

I expect to hear wonderful things about all of you in the future.

God bless each and every one of you.
